

# Health Fairs

We are looking for personable and energetic volunteers to represent the Colon Cancer Prevention Project at local health fairs.

## Desired Skills

- ☉ Outgoing and Affable
- ☉ Willingness to learn about colon cancer screening methods and teach others
- ☉ Ability to help on Saturdays or weekday afternoons

## Duties

- ☉ Engage with health fair attendees about colon cancer
- ☉ Become very familiar with Project resources and programs to be able to discuss those resources with health fair attendees
- ☉ Become familiar with and be able to explain the variety of screening options available to communicate options clearly
- ☉ Engage with health fair attendees about volunteer opportunities at the Colon Cancer Prevention Project
- ☉ Become familiar with the Project's brand and promotional materials
- ☉ Serve as a representative of the Colon Cancer Prevention Project to the community
- ☉ HAVE FUN!
